

ORDER YOUR **Poinsettias**

If you would like to remember someone special at Christmas with a Christmas Poinsettia, here's what to do:

Return this form and the payment due to the church office no later than November 22nd. Please put the form and the payment in a sealed envelope. Envelopes may be placed in the secretary's mailbox, placed in the offering plate in an envelope marked "Poinsettia", or mailed to the church office.

The poinsettias placement will most likely look different this year. We will be ordering from Milmont Nursery in Stuarts Draft so there are more options for colors, but the cost is a bit higher. Your poinsettia will be tagged with your name for pick up so that you will receive the color option you choose. Please mark your order forms beside the photo for the number of each and the size you desire. Then put your totals on the front of the order form.

If your chosen color is not available when we order you will be notified
